BRITISH COUNCIL **I AM A CHANGEMAKER**
General Terms and Conditions

HOW DOES IT WORK?
I am a Changemaker operates like a business plan competition, awarding seed capital directly to the best social enterprise ideas that best meet our criteria.
It provides a vehicle for taking innovations from idea to reality, and is a real-world exercise for improving your skills in:

- Starting a Project/Business
- Pitching ideas to possible investors
- Building networks

No matter what your idea may be, we challenge you to unleash your ideas, energy and passion to effect positive social change in our society. The only limit to the range of projects eligible for the award is your ambition and imagination.

WHO CAN JOIN?

Your Team

- Entrants should be Filipino citizens, 16-25 years old. Proof of age will be required from all finalists.
- Team members should not have been convicted in any court of a criminal offense or crime.
- You can seek the advice of a mentor or an expert, but you must be the principal owners and implementers of the venture.
- Individuals or organizations funded by the private sector or local government units (LGUs) will not be allowed to join to gain opportunity to provide who do not have the financial resources to implement their projects.
- Individuals or organizations representing a non-profit (international or local), a private company or its subsidiary will likewise not be allowed to apply.
- Employees and relatives of British Council, Starbucks, SEDP and Ateneo de Manila University (up to the 2nd degree of consanguinity) are disqualified from joining the competition.

Your Enterprise Proposal

- Your venture should exist primarily to address a social problem.
- Only one (1) proposal can be submitted by a team.
- Your venture should have demonstrable financial viability, whether it is for-profit or not-for-profit.
- Your proposal should not have won in other business plan or project grant competitions of the same category (national), or have received the same amount of funding for its implementation.
- Your project should not have been entered on behalf of a non-profit, a private company or a local government unit (LGU).
- Your project plan must be written in plain English in the format prescribed by the British Council.

The British Council reserves the right to amend these terms and conditions without notice.
